DETAILED ACTION

Receipt Acknowledgement

1. Receipt is acknowledged of the request filed on 27th of October 2006 for a request for continued examination (RCE) under 37 CFR 1.114 based on the application No. 10/626,215, which the request is acceptable and an RCE has been established. Currently, claims 1-15 are pending in this application.

Allowable Subject Matter

2. Applicant's amendment filed on 10/27/06 have been fully considered and are persuasive.

The following is an examiner's statement of reasons for allowance:

As per independent claim 1, Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest wherein each connection point is located at a point defined by an intersection of a slot X and a row Y, where X and Y are integers, wherein each row of connection points has a different predetermined relative shift R associated with it, where R is an integer and wherein a connection point at row Y is connected to another connection point located at row Y and at a slot that is R slots away from itself in combination with other limitations as recited in independent claim and further in view of the specification and applicant's arguments.

As per independent claim 13, Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest wherein each connection point is located at a slot X and a row Y, where X is an integer from 1 to N and Y is an integer from 1 to N-1, wherein each row of connection points is assigned a

predetermined relative shift R, where R is an integer from 1 to N-1, and wherein each connection point that shares a row Y is connected to another connection point that is at row Y and is a distance of R slots from itself in combination with other limitations as recited in independent claim and further in view of the specification and applicant's arguments.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
